CIA No. 3565

30 September 1965

Mr. Clarence W. Nichols
Office of International Commodities
Bureau of Economic Affairs
Room 3527 New State
Department of State
Washington, D. C.

Dear Nick:

Enclosed are some of our recent intelligence publications I thought would be of interest to people in the Bureau. These cover "Foreign Shipping to North Vietnam in August 1965," "The Soviet Program of Military Aid to Less Developed Countries, 1955-65," and two copies of our contribution on [redacted] to an upcoming National Intelligence Estimate. Perhaps Phil Trezise would be interested in taking a look at the [redacted] study; I think it shows we are acquiring a little more sophistication on some of the Free World economies.
